

Victoria & District Amateur Basketball Association

NOTICE TO COACHES

1. It is the responsibility of the coach to ensure all team members are age appropriate for the division in which they compete. Any violations of this will result in discipline from the Directorate.
2. No player may compete in games or practices until they have completed the registration process. Use of an unregistered player is an automatic team loss and subject to discipline by the Directorate.
3. The players' names (first name and last name) and numbers are to be entered on the score sheet prior to game time. Also, list name of coach, team and division.
4. Each team is to provide one table official for timing or scoring at each game. Upon completion of the game, ensure the TEAM NAMES, WINNING TEAM, DIVISION and FINAL SCORE are entered on the score sheet.
5. If there is colour duplication, the HOME TEAM (second named team on schedule) must wear pinnies. If a team does not have proper numbers front and back on their uniforms, THAT TEAM must wear pinnies.
6. Uniform tops must be of the same colour with numbers front and back. T-SHIRTS, if worn under game shirt, MUST BE ALL white. Shorts must be of the same colour (or black) but not necessarily the colour of the top. All players must wear game shirts tucked into shorts unless manufactured to be worn outside the shorts.
7. Because of limited gym time, all games must start and end on time. If your game is running late you must play "running time". Gym supervisors will determine if running time is necessary.
8. All teams must have an adult who is the same gender as the players, sitting on the bench or in the vicinity at all times for change room supervision.
9. Coaches and managers are responsible for the supervision of their team and their team spectators.
10. Coaches and/or managers should ensure their players are safely accounted for before leaving the gym.
11. Coaches, parents and players are not to enter any game-designated gymnasium without a V&DABA gym supervisor in attendance.
